# Our Story

Dating back to the late 80's, we laid the foundations for some of the leading global wholesale wireless distribution companies 3G Unlocked Wholesale Cell Phones, Bluetooth Headsets & Much more.

Thousands of customers worldwide chose us as their exclusive one stop source for all their inventory needs,  
because we have proven ourselves as a **NO-NONSENSE**  
quality driven industry innovator, providing a huge selection of original super-quality New & Factory Refurbished Wholesale products at the best prices.
